

Darcie's Easter Gift Bag

Instructions

1. Print and cut out two of the Gift Bag Cut Outs.
2. Score on the dotted lines and fold.
3. Apply double sided 1/4" wide red liner tape to the side tabs.
4. Apply double sided 1/4" wide red liner tape to the printed side of ONE Large Bottom Flap and to both Small Bottom Flaps, applying it to the bottom edge of the flaps.
5. Remove the backing from the tape on the side flaps. Attach the Gift Bag Cut Outs as shown below.

6. Cut out the embellishment images, leaving a small white border around each image. Assemble the images as shown in the photo (on the blog) using double sided foam mounting tape, and attach them to the front of the gift bag. Attach any rhinestones, glitter, etc.
7. Fold the Gift Bag over so that it forms a "tube" shape and attach the remaining side flap to the long straight edge as indicated above.
8. Remove the backing from the tape on the Bottom Flaps. Fold over the two Small Bottom Flaps. Fold over the Large Bottom Flap (the one with the tape on it) and attach it to the two Small Bottom Flaps. Fold the remaining Large Bottom Flap over and attach it to the other flaps to form the bottom of the bag.
9. Fill the bag with Easter grass, small gifts or candy.
10. Attach a small piece of yellow ribbon to the back side of the top flap. Close the bag with either a sticky velcro dot or a piece of double sided tape.
