

## Directions

Cut the papers to the following sizes:

- **Chocolate Card Stock** - Cut one piece 8 1/2" x 5 1/2". Score and fold in half to make card background.
- **Antique Red Flower** - Cut one piece 2" x 5".
- **Malta** - Cut one piece 4" x 5 1/4".
- **Bellavilla** - Cut one piece 1" x 5".

Use the 3" scallop punch to punch a piece of the Lipstick Card Stock. Stamp the saying on the Bright White Card Stock. Use a 2 1/8" round punch to punch out the saying, centering it. Use double sided foam tape to attach the saying to the Lipstick Scallop you punched out.

Stamp the shoe and the purse on the Bright White Card Stock.

Use the watercolor pencils to color the shoe and purse, using 2 shades of red. Scribble a little of each colored pencil onto the back side of a piece of the waxed palette paper. Using a slightly moistened paint brush, pick up a little of the scribbled colored pencil with the brush. Apply the color to the stamped image using the paintbrush. Apply the base color, let dry, then apply the shading color. When applying the shading, angle the brush so that the brush is nearly parallel with the paper. If the color does not blend well into the base color, you can rinse the brush, blot it, and use the brush to blend the colors together. The trick is to use very little water in the brush.

Use a 1 5/8" diameter round punch to punch out the purse image and a 1 1/8" diameter round punch to punch out the shoe image. Use the 1 1/2" round scallop punch to punch a piece of the Winter Blue card stock. Use the 2 1/8" round punch to punch a piece of the Chocolate Card Stock.

Use permanent adhesive to attach the Red Antique Flower strip to the 4" x 5 1/4" piece of Malta. Use permanent adhesive to attach the Bellavilla strip to the Red Victorian strip as shown in the photo. Add decorative stitching if desired. Use permanent adhesive to attach this layered piece to the front of the card.

Use the 2" round punch to punch a piece of the Chocolate Card Stock. Add decorative stitching if desired. Use permanent adhesive to layer the circles as shown. Tie the piece of 1/4" wide sheer ribbon around the layered piece of Malta. Use double sided foam tape to attach the circles to the front of the card. Thread the checked ribbon through the button and tie. Glue the button to the front of the card.

Complete the inside of the card as desired.
