Recipe Album Covers Cut Two

Cut from 3/32" thick chipboard

The hole placement is marked at left
(Punch the holes to desired size to fit
your binder rings)

◦

◦

The image shows a template for a recipe album divider page. It is a rectangular sheet of paper with a semi-circular tab on the right side. On the left edge, there are three small circles indicating where to punch holes for binder rings. The text is centered on the page.

Recipe Album Divider Page 1

Cut from 1/32" thick chipboard

The hole placement is marked at left
(Punch the holes to desired size to fit
your binder rings)

Recipe Album Divider Page 2

Cut from 1/32" thick chipboard

The hole placement is marked at left
(Punch the holes to desired size to fit
your binder rings)
